

ER 60-2122/a

STAT

29 MAR 1960

Joseph E. Johnson, Esq.

Dear Joe:

It was very thoughtful of you to send me the copy of the memorandum, "Cessation of Nuclear Testing - Proposal for Immediate Action by the United States Government." I have looked it over with interest and have also made it available to others here in my office.

I enjoyed very much talking with you the other day.

With every best wish.

Sincerely,

SIGNED

Allen W. Dulles
Director
